

MEDIA ALERT

IMAGINE SOLUTIONS TO HOST SOLD OUT SEMINAR ON NOVEMBER 12

The media is invited and encouraged to attend this important and well-timed seminar about China and its administration, politics, and current trade strategy.

- WHAT:** Imagine Solutions 's "Understanding China—and Why You Should be Interested" Seminar
- WHEN:** Tuesday, November 12 at 5:30 p.m.
- WHERE:** The Community School of Naples' G&L Theatre, located at 13275 Livingston Rd, Naples, FL 34109
- WHY:** The "Understanding China—and Why You Should be Interested" Seminar will provide attendees with an in-depth understanding of China's political leadership and the centralization of politics under Xi Jinping. This timely seminar will include information about China's economic strategies, military strategies and foreign policy, as well as the role of technology (AI, 5G) and technology transfers – with an interactive format in a more intimate setting.
- WHO:** Speaker, Tim Heath, is a senior international defense researcher at the RAND Corporation and a member of RAND's China Strategic Focus Group and is recognized as one of the world's leading experts in his field. With over 15 years' experience as an analyst on China-related issues for the U.S. government, Heath has a background in analyzing China's national strategy, politics, ideology and military, as well as Asian regional security developments. One color image attached.
- QUOTE:** According to Imagine Solutions CEO Randy Antik, "China is a major force in the world about which we have much to learn. This seminar will give attendees an insider's perspective and spur some truly thought-provoking, timely, and necessary dialog."
